Tuesday 24 May, 6 pm (CET)

Webinar

EDI

FELLOWS

Session

EDI Global Forum for Education and Integration

Online Agora

In this Agora session, EDI Fellows, comprised of 30 emerging practitioners engaging with art and education from around the world, will resume the conversation started on the 12th of April. Thinking through identity barriers, diversity and inclusion, sustainability and accessibility, this conversation will mean to address these issues collectively, through transcultural methodologies.

This Agora will be in English language.
